In connection with the Bangalore City Special Financial Committee's report, His Highness the Maharaja was pleased to observe as follows:—

* * *

"I should be glad, however, of "some further explanation about "the credit of local cess on "Abkari revenue. Surely a "local cess is intended for "expenditure on local objects "and cannot be correctly re- "garded as an item of State "Revenue. It seems to me that "it should be credited either "to the District Board or the "Municipality, otherwise it is "not a local cess"

2. "With reference to that ob- servation, the Dewan recorded as

Z

follows:—

"I believe it is credited "to P. F. General and not there "fore credited to either of the "other two Funds"

	May this be filed. The Council have noted the orders of H.H. and the Dewan. Sealed by Raja. 8/3/06

Submitted to His Highness.

with reference to the remarks of the Hon'ble Member in the margin it is respectfully explained that the receipts are credited to local funds. 33 per cent is credited to village school fund and the remainder to L. A. General - so the whole money is spent for local purposes only

Sir,

What shall I do with this. I think it may be filed. Please see

Sd/- 3/3

Please see Hon'ble Secy's order for filing. As the Decision directive has been already executed as foreseen Secy's note.

Sd/- 3/3

Sir,

The Hon'ble Minister's direction is that the CL Rules shd be corrected. It has not yet been done though in the draft order we took care to specify the purpose prospectively. I think this has the effect of the Secy's Note

Submitted for kind perusal please.
